Description of Organization

--

Please describe how your request meets any or all of the following criteria.

The organization supports health, social, educational or sports programs/projects. Please explain.

Examples; Sports Leagues (Not individual teams) School Programs, Community Centers,

The organization is a non-profit/charitable organization. Please provide details.

To be eligible for funding the organization must be a non-profit group or organization.

The funding will be used for a community event. Please explain.

The funding will benefit the entire community and not favor one group within the community.
Example: Funding for a league favors all teams in the league.

Describe how the funding will be used for “Vital” community needs.

Funding will be used for those in need, Outreach centers or under funded educational programs.

Demonstrate support for the community and not duplicated services.

Provide proof that your organization has or will benefit the community.

The Board of Directors of the organization should be made up of volunteers who will not in any way benefit financially from the operations. The organization must not be a political group or party.

Please outline your organizations structure with titles:

Please explain why you are requesting funding from the Whitecourt Petroleum Association and any additional details about how the funds would be utilized.

Any funds provided must be utilized within a year of the date provided or returned to the organization. The Whitecourt Petroleum Association may require documentation that the funds provided were used accordingly.

The request is for a one time contribution. The WPA will not make recurring payments.
